

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers solutions, services and products to be able to increase the productivity and ensure efficiency within commercial, residential and industrial environments. They pride themselves in delivering products to enhance the comfort, security, health and safety of individuals around the world throughout their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting advanced controls, services and parts support for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to enhance energy efficiency, productivity and operations for their clients. The range of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles designed for companies and individuals.

Popular trade names such as Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all across North America. Several of their innovative quality products consist of electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products which ensure safe, productive and secure environments. This division's market leading products consist of floor and door closers, exit devices, portable security devices, biometric and electronic cabinet hardware, access control systems, steel frames and locks and doors, locksets and decorative hardware. Schlage even has products which provide time, attendance and personal scheduling systems.
